

FOR IMMEDIATE RELEASE

Machine Press Video - New "[Studio Set Blue](#)" Web Page.

Use this new [navigation link](#) to check out this photo gallery of shots from 360 degrees around the set.

Atlanta, Georgia - August 24, 2009 - "Company announced today a new link to a page called "[Studio Set Blue](#)" page, this new page will greatly improve customers ability to decide which indoor studio set is best for their next video production.

When you get to the Home page, look in the left column navigation links, in the Video group, for the "Studio Sets - Real".

If you do not see the link, press to reload and refresh your browser. You may also want to clear your browser cache.

Once on the "Studio Sets - Real Sub Menu", you can select any one of two category groupings. The photos are listed as either Studio Sets - Real - Director Chairs Blue, or Studio Sets - Real - Chairs Red. Click on either thumbnail image to view the photos and read the descriptions.

Once you are on the index page, click the 01.jpg link or the thumbnail of your choice. Once you are on the Web Photo Gallery you can simply click NEXT", or PREVIOUS" to see later or previous photos or "[INDEX](#)" to go back to ~~the index~~ thumbnail page.

After you have viewed all you want or read the text descriptions, you can click the home button on any page.

We have added the 12 new photos. Company specializes in video production services targeting small and medium ~~business's~~.
